CONDITIONS OF SALE

THE CONDITIONS of the present public sale for property being offered for sale by **BARBARA ANN NEIDEIGH, Executrix of the ESTATE OF ROBERTA E. MENTZER, deceased**, held this 26th day of October 2023, are as follows:

- 1. The property to be sold is ALL THAT CERTAIN tract or piece of land being known as 200 Birchland Ave., Mount Joy, Lancaster County, Pennsylvania, as per attached legal description.
- 2. The highest bidder shall be the Purchaser (both Seller and Purchaser, whether one or more, are designated throughout these Conditions of Sale in singular masculine form) upon the property being struck off to him; and he shall immediately thereafter sign the Purchaser's Agreement on these Conditions of Sale, and pay down ten (10%) percent of the Purchase Money in form satisfactory to Seller as security for performance of this Agreement. If any dispute arises among bidders, the property shall immediately be put up for renewal of bidding.
- 3. A three (3%) percent Buyer Premium will be added to the "hammer price" (the amount of the highest accepted bid) and will be paid by Buyer at the time of settlement, in addition to the hammer price.
- 4. The balance of Purchase Money shall be paid at settlement to be held at the office of Nikolaus & Hohenadel, LLP, 222 South Market Street, Suite 201, Elizabethtown, Pennsylvania,

on or before December 11, 2023 (unless some other time or place shall hereafter be agreed upon by the Seller and Purchaser), upon which payment the Seller shall convey to the Purchaser, by special warranty deed prepared at the Purchaser's expense, good and marketable fee simple title to said property, free and clear of all liens and encumbrances not noted in these Conditions, but subject to any existing wall rights, easements, building or use restrictions, zoning or land subdivision regulations, encroachments, encroachments of any kind within the legal width of public highways, and any and all rights of way and easements visible upon the ground or which appear in the chain of title to said property and on the recorded Subdivision Plan.

The Seller represents (I) that there are no pending and unsettled eminent domain proceedings, no appropriations by the filing of State Highway plans in the Recorder's Office, and no uncomplied-with orders from any governmental authority to do work or correct conditions, affecting this property, of which the Seller has knowledge; (ii) that no part of the property, except any part within utility reserve strips in developments or within legal limits of highways, is, or at settlement will be, subject to any currently-used or enforceable easement for any underground electric or telephone cable or sewer, gas or water pipe serving other than this property, except those which are apparent upon reasonable physical inspection of the premises and which appear in the chain of title to said premises; and (iii) that this property is believed, but not guaranteed to be, zoned "residential".

At settlement, the property and all of its appurtenances and fixtures shall be in substantially the same condition as at present, except for (a) ordinary reasonable wear and tear, (b) damage of any kind for which full or partial recovery may be had under the Seller's or Purchaser's insurance, (c) damage which occurs after possession has been given to the Purchaser, or (d) any taking by eminent domain.

- 5. Formal tender of deed and purchase money are waived.
- 6. (a) Acknowledgments to the deed shall be paid by Seller, and all required state and local Realty Transfer Taxes shall be paid by the Purchaser.
- (b) Real Estate Taxes shall be apportioned to date of settlement on a fiscal year basis.
 - (c) There is public water and public sewer servicing this property.
- (d) Any "disbursement" or similar fees purported to be charged by Purchaser's title company or attorney against Seller, for services which Seller has not specifically engaged, shall be paid by Purchaser. All closing costs, document preparation, fees and expenses of settlement shall be paid by the Purchaser.
- 7. Included in the sale are all buildings, improvements, rights, privileges, and appurtenances; electric, heating, plumbing, lighting, water, and systems; laundry tubs; radio and televisions aerials, masts and rotor equipment; storm doors and windows, screen doors and fitted window screens; roller and venetian blinds, curtain and drapery rods and hardware; radiator

covers; cabinets; awnings; and any articles permanently affixed to the property except the following which will not be sold with the real property:

- 8. Possession shall be given to the Purchaser at settlement.
- 9. Seller will continue in force the present insurance carried for the property until delivery of deed or possession to the Purchaser (whichever shall first occur), and in case of loss will credit on account of the Purchase Price at settlement any insurance collected or collectible (either by Seller or any mortgagee or other loss-payee) therefor.
- 10. The property is being sold under reserve and therefore Seller reserves the right to reject any or all bids.
- 11. If a survey of the property is either desired or required, it shall be ordered and paid for by the Purchaser.
- 12. In case of non-compliance by the Purchaser with these Conditions, the Seller, in addition to all other remedies provided by law, shall have the option either (a) to retain the Purchaser's down money as liquidated damages regardless of whether or not, or on what terms, the property is resold, or (b) to resell the property at public or private sale, with or without notice to the present purchaser or his sureties (if any) and to retain any advance in price, or hold the present Purchaser and any sureties liable for any loss, resulting from such resale, meanwhile holding the down money paid hereunder as security for or toward payment of any such loss.

INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

- The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential
- real estate transfer must disclose all known material defects about the property being sold that are not readily observable. A material defect
- is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or
- that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end
- of its normal useful life is not by itself a material defect.
- This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist
- Seller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see 10
- or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement
- nor the basic disclosure form limits Seller's obligation to disclose a material defect.
- This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and is not a substitute for any
- inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or rep-
- resentation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns
- about the condition of the Property that may not be included in this Statement.
- The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers 17 are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property.
 - 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 2. Transfers as a result of a court order. 20
- 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default. 21
 - 4. Transfers from a co-owner to one or more other co-owners.
- 5. Transfers made to a spouse or direct descendant. 23
 - 6. Transfers between spouses as a result of divorce, legal separation or property settlement.
- 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of 25 liquidation. 26
 - 8. Transfers of a property to be demolished or converted to non-residential use.
 - 9. Transfers of unimproved real property.
 - 10. Transfers of new construction that has never been occupied and:
 - a. The buyer has received a one-year warranty covering the construction;
 - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
 - A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

COMMON LAW DUTY TO DISCLOSE

Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclosure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order to avoid fraud, misrepresentation or deceit in the transaction. This duty continues until the date of settlement.

EXECUTOR, ADMINISTRATOR, TRUSTEE SIGNATURE BLO	UCK
--	-----

According to the provisions of the Real Estate Seller Disclosure Law, the undersigned executor, administrator or trustee is not required 39 to fill out a Seller's Property Disclosure Statement. The executor, administrator or trustee, must, however, disclose any known 40 material defect(s) of the Property. 41
